Dear Parent/Carer

Re: School Opening

I hope this email finds you well and relatively rested after the festive break?

I know Miss Coulthard has already written to you explaining the reasoning behind our sudden closure, but I just wanted to reassure you all of the huge efforts that the whole school staff have recently put in - first to ensure the safe opening of our school, and then the sudden (but not entirely unexpected) closure to all but children of keyworkers.

I have witnessed this effort first-hand and am thoroughly impressed by the contribution of all connected with SS Peter and Paul's. We are lucky to have such a committed and hard-working staff – I am sure you will agree with this.

In this crazy dynamic world in which we are currently forced to operate, I feel it is important for you to be reassured that everything Miss Coulthard and her dedicated staff do is based on the safety of your children and the wider school community.

Please don't hesitate to contact me if you require any further information. I hope you all stay safe and let's look forward to a brighter, safer future which will hopefully be realised due to the imminent ramping up of the vaccination programme.

I and the whole Governing Body wish you well,

Yours sincerely,

Philip FL Dawson (Chair of Governors)
