

Pupil Premium Grant 2017-2018

Total Grant - £5,280

The needs of the pupil premium children vary greatly. A number of children have social and emotional barriers to learning. Some children have additional SEND needs.

Description	Amount	Impact
Staffing: TA support for children to have individual or small group support.	£5,280	Gaps in learning are reduced. Children are more ready to learn.

The Pupil Premium grant is spent on employing Teaching Assistants to support the children who qualify for this grant. The measurement of the effect of the pupil premium grant is undertaken by formative and summative assessment results and the monitoring of work undertaken in class. The Governor's Curriculum Committee review the impact of Pupil Premium funding every term.
